My Place For Parts VIN Scan App – Installation Instructions

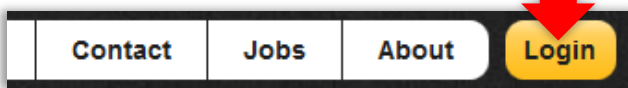

1.) Go to **Google Play** or the **App Store** on an Android or iOS mobile device.

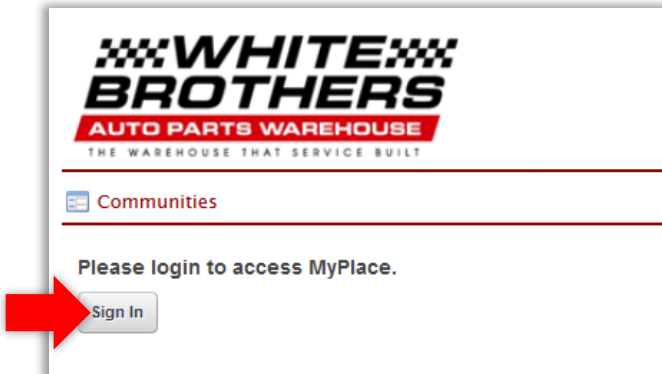

2.) Search for "My Place for Parts".

3.) Download and install the **MyPlace VIN Scanner** app:

4.) To obtain credentials, *using your computer (not your phone)*, go to **www.whitebros.net**, and click on the yellow **Login** button at the top-right corner of the screen:

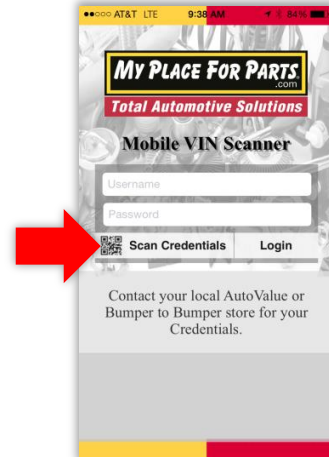

5.) Click on the **Sign In** button, and login with your username and password:

6.) Scroll to the bottom-right of the screen and find the QR Code:

7.) Open the MyPlace VIN Scanner app on your phone, and Click on the **Scan Credentials** button

8.) Hold the phone up to the QR code on the computer screen (found in step 6). Your mobile device will automatically take a picture of the QR Code once the image is in focus:

9.) Click **Scan VIN** button or manually type in a VIN to get started!:
